SUBJECT: Reminder Urgent! Please Read- Do Not Send Ballots

Dear Municipal Clerks,

This clerk communication is in follow up to the email and RAVE alert you received yesterday, September 10. This communication is a reminder, nothing has changed since yesterday.

When a court ruling is issued, we will alert clerks through a high priority clerk communication email and by RAVE alert.

The Wisconsin Supreme Court issued an order Thursday which directs the Commission to advise **all municipal clerks in this state that they should not mail any absentee ballots until this court has issued a further order stating that absentee ballots may be mailed out.** Therefore, even if you have already received your ballots from your county clerk or ballot printing vendor, **do not send** any absentee ballots out until you receive an additional communication from the Commission on this topic.

Also, **if you have already sent out absentee ballots to any voters in your municipality for the November 3, 2020 general election**, please contact our office (elections@wi.gov or 608-261-2028). Thank you to the clerks who provided this data for submission to the Supreme Court yesterday.
